 Sherwood, OR 97140

Quantity	Part Number		Notes	Unit Cost	Total

**RETURN POLICY** Total \_\_\_\_\_

**RETURNS & CLAIMS:** Any requests for the return of goods purchased from Blowsion must be made within 10 days of receipt of goods. No returns will be accepted after 10 days. Prior to any return shipment, call Blowsion for a Return Authorization Number (RA#) that will be issued over the phone. Returned goods must be in NEW and UNUSED condition and in the original packaging and include instruction manuals, hardware and all accessories relevant to the product as it was shipped. If the merchandise has been installed on the watercraft or used, or is missing parts or manuals then you have bought it and it cannot be returned. Merchandise can only be returned by the party that originally purchased it from Blowsion, i.e., if you bought it at a dealership, you must return it to that dealership. The customer is responsible for the return freight costs incurred. NO SHIPPING CHARGES REFUNDED. No exceptions. If the merchandise is being returned because of a proven shipping or packing error made by Blowsion, then Blowsion will only cover the cost for shipping the correct product back to the customer via UPS Ground or U.S. Parcel Post shipping. Any expedited air freight requests or costs are the sole responsibility of the customer. Blowsion cannot issue call tags. All approved returns are subject to a 20% restock charge plus the original cost to ship the goods the first time. Refunds will only be for credit towards future purchases- no cash refunds or credit to credit card. In the event of a defective part or goods being received by the customer, Blowsion will exchange the defective item for a new replacement at no charge upon the return of the defective item. Damages caused by the shipper excluded.

**I HAVE READ BLOWSIONS RETURN POLICY AND AGREE TO ABOVE TERMS:**
