INSTALLATION INSTRUCTIONS

PART NUMBER: WR507 **WORX RACE SPONSONS**
YAMAHA WAVE RAIDER 707 /760 /1100

IMPORTANT: READ ALL INSTRUCTIONS BEFORE PROCEEDING WITH INSTALLATION

Tools necessary for installation:

10mm Socket and Extension
Large star screwdriver
1 x Tube of silicone

Parts Supplied:

2 x **Worx** adjustable Sponsons
2 x Side rails
8 x ¼" Nyloc nuts
10 x ½"mm Flat washers
8 x ¾" Flat washers
8 x 1" x ¼" Round head bolts

1. Remove stock sponsons hull. and clean hull removing any old silicone
2. Apply a bead of silicone around edges of side rails and around each mounting hole on the hull.
Important Rails are tapered to fit the angle of the sides of the hull make sure that you fit them with the rounded end forward
3. Fit side rails to hull using the ¼" nyloc nuts and ½" flat washers on the four rear bolts. Use a ¾" flat washer and a stock nyloc nut with the white plastic end cap on the front bolt on each side.
4. Fit sponsons to side rails tapered end forward using the 1" x ¼" round head bolts and the ¾" fender washers
5. Adjust sponsons to suit your riding style
 - Top set of holes to suit novice and recreational riders
 - Second set of holes recommended for experienced riders and racers.

Cont P.T.O.

- 6 Recheck that the bolts holding the sponsons onto the side rails are tight after 15 minutes riding. When you have decided which position best suits your riding style it is recommended that you apply red loctite to the bolts to ensure that they do not work loose, regularly check that the bolts are tight.

7. Warning: These sponsons will vastly improve the turning capability of your boat take time to get used to them before you attempt any hard cornering.

Thank you for purchasing **Worx Racing Components** products. We believe that **Worx Racing Components** products are among the finest watercraft parts available.

A great deal of time and effort has gone into the design and development of this product to ensure that it will perform to the highest standard and that installation will be a relatively straight forward procedure. If you have any comments on the performance/or installation of our parts, please contact us on the numbers listed on page one or through your local dealer.

Note: Please check with your governing body for eligibility for your class of racing.
