.....

PART NUMBER WR514

WORX RACE SPONSONS

YAMAHA +96 WAVE VENTURE , XL 1200

IMPORTANT : READ ALL INSTRUCTIONS BEFORE PROCEEDING WITH
INSTALLATION

Tools necessary for installation :

Large Phillip's (Star) screwdriver
10mm Socket and Extension
11mm Socket and Extension
1 x Tube of silicone

Parts Supplied :

2 x Worx adjustable Sponsons
2 x Side rails
8 x 1 1/4"x1/4"Round head bolts
8x1"x1/4"Round head bolts
8 x 19mm Flat washers
8 x 15mm Flat Washers
8 x Nut / washer Combo

1. Remove stock sponsons using the 10mm socket wrench and clean any old silicone from hull.
2. Apply a bead of silicone around edges of side rails and around each mounting hole on the hull.
Important Rails are tapered to fit the angle of the sides of the hull make sure that you fit them with the shaped end forward and the narrow edge facing upwards.
3. Fit side rails to hull using the 8 x 1 1/4"x 1" round head bolts with the 15mm flat washers and the nut washer combo on the inside using the 11mm socket/ extension and the screwdriver
4. Fit sponsons to side rails using the 8 x 1" x 1/4" bolts and the 19mm flat washers.
5. Adjust sponsons to suit your riding style
 - Top set of holes to suit novice and recreational riders
 - 2nd set of holes recommended for experienced riders and racers.

Cont. P.T.O.

- 6 Recheck that the bolts holding the sponsons onto the side rails are tight after 15 minutes riding. When you have decided which position best suits your riding style it is recommended that you apply red loctite to the bolts to ensure that they do not work loose, regularly check that the bolts are tight.

Warning : These sponsons will vastly improve the turning capability of your boat take time to get used to them before you attempt any hard cornering.

Thank you for purchasing **Worx Racing Components** products. We believe that **Worx Racing Components** products are among the finest watercraft parts available.

A great deal of time and effort has gone into the design and development of this product to ensure that it will perform to the highest standard and that installation will be a relatively straight forward procedure. If you have any comments on the performance/or installation of our parts, please contact us on the numbers listed on page one or through your local dealer.
